Clean Water State Revolving Fund (CWSRF) Updated State Fiscal Year (SFY) 2020/21 CWSRF Comprehensive List and Application Status Report
 Updated as of February 1, 2021

This report represents the current SFY 2020/21 CWSRF Comprehensive List, as of February 1, 2021. Projects denoted as appearing on the CWSRF Fundable List represent the current SFY 2020/21 CWSRF Fundable List (Fundable List). In accordance with the Policy for Implementing the Clean Water State Revolving Fund and the SFY 2020/21 CWSRF Intended Use Plan (IUP), the current Fundable List includes all projects for disadvantaged communities or severely disadvantaged communities and all projects that scored 14 or higher in the State Water Board's priority scoring process. In addition, the Deputy Director of DFA has added all projects with a priority score of 13 or higher to the Fundable List, per authority granted to her in the Section III(D)(2) of the SFY 2020/21 IUP.

Please contact your project manager if you are actively working on a CWSRF application and you have questions regarding:

1. The status of your submittals and/or the content of this report, or
2. Your project is not reflected below.

Please provide public comments within 30 days of this posting to CleanWaterSRF@waterboards.ca.gov.

Notes:

- a. If a date is provided in this column, materials provided by applicants are sufficient to begin staff level review. Even if a package is received, the applicant may be asked to submit additional documentation to satisfy questions or comments.
- b. If the staff level review is complete for all four packages, this will indicate that a 'Funding Decision is in Process'.

DPWD Score 12
