Good afternoon. I just wanted to let everyone know that I am still awaiting the approved waiver. They Regional Director has signed the request for waiver so we are just awaiting the approval. As soon as I get it, I will email over PDFs of the contracts for you to execute.

Good afternoon. As a follow up from our call yesterday. The following guidance was provided regarding RRA:

"For Warren Act contracts with those who also have project contracts (water service or repayment), the project contract dictates the acreage limitation that applies to the Warren Act contract."

We are currently processing the waiver request for Article 26. As soon as that is approved, I will revise the contracts and send them out for execution.
