RE: Merced County APN 069-029-011

Dear Mrs. Gonzalez

Please be advised that the Annual Assessments on the Assessor's Parcel Number referenced above became delinquent per California Water Code Sec. 36950 et seq. on August 31, 2024. As communicated to you on December 31, 2024, a lien has been filed on your property.

If these assessments remain unpaid as of February 27, 2025, the District will publish a notice specifying, in part, that the "...delinquent property will be sold to the District for non-payment of the delinquent assessments and penalties." (Sec. 36951.)

As our previous attempts to contact you via telephone and U.S. Mail have gone unanswered, we are sending this courtesy notice via private delivery in the hope that we can reach you, as we wish to provide you with an opportunity to avoid additional costs associated with the publication of the notice and the recording of the certificate of sale.

Please contact me at your soonest convenience regarding the unpaid assessment. I can be reached at (209) 892-4470.

Sincerely,

A handwritten signature in cursive script that reads "Anthea G. Hansen".
