ahansen@delpuertowd.org

This contract is an agreement between JOE'S LANDSCAPING & CONCRETE, hereinafter referred to as the contractor and Anthea Hansen hereinafter referred to as the client. Contractor and client hereby promise and agree to the following:

Qty Description	Rate	Amount	Tax
1 Concrete based on about 144 sqft. -Form and prep concrete area -Installation of road base and compact -Installation of #3 rebar o.c. +- -6 sack pea gravel mix -Concrete will be pumped (if needed) -Labor and Materials NOTE: Additional concrete color will be at homeowners expense Disclaimer *Concrete may develop some cracks. The cracks are due to shrinkage of concrete, creep, restraining wall columns, footings, and other structural elements that are tied to the slab. The cracks formed are normally not structural. In areas of expansive or clay soil the concrete may also be greatly affected and may have the tendency to move or shift though we use re-bar to strengthen the concrete this does not protect it from expansive soil effects. Joe's Landscaping and Concrete Inc. shall not be held responsible for normal cracking unless it is directly due to defective workmanship. We will not be responsible for movement of concrete be it vertically or horizontally due to expansive soils. If color is chosen for the concrete we do not guarantee any colors to match or to procure into the exact color desired. The concrete will continue to fade or darken as it continues to cure through its lifetime. Areas of concrete may appear blotchy and also may vary in different shades of colors sometimes due to weather, including: sunlight exposure, and wind, surrounding moisture in the soil will also affect the way the concrete cures. Joe's Landscaping will not be held responsible for any undesirable concrete discolorations or variances not related defective workmanship.	\$2,400.00	\$2,400.00	LBR
